Profile

Summary: I am a Computer Engineering student at Esprit with a strong passion for the field of computer science especially Data sceince. I am eager to explore internship and collaboration opportunities to apply my skills and gain practical experience. With a solid foundation in software development and a keen interest in innovative technologies, I am dedicated to contributing to dynamic projects and expanding my professional knowledge.

Employment History

Jun 2023 – Present   **INTERNSHIP, Siga**

- Developed a full-stack web application under the guidance of Iheb Soltani, IT Consultant at SIGA.
- Developed the frontend of a full-stack web application using Angular, PrimeNG, and Bootstrap.
- Developed the backend of a full-stack web application using Spring Boot.
- Implemented security features and JWT authentication with Spring Security.
- Designed the database using PostgreSQL.
- Used Postman to coordinate API connections between the frontend and backend.

Education

2023 - Present   **Software Engineering Student, Esprit**
Currently studying at ESPRIT as an engineering student specializing in DATA sceince. The comprehensive and versatile curriculum at ESPRIT has equipped me with a broad range of skills and knowledge, covering various aspects of computer science and engineering. This multifaceted training has prepared me to tackle diverse challenges in the field and has fostered a strong foundation for my future career.

2021 – 2023   **Entering Engineering School, FST faculte du sciences tunise**
I studied at FST, where I rigorously prepared for national engineering entrance exams. I achieved a rank of 418 over 994 student on the national scale, demonstrating my strong capabilities and dedication.

Skills

- **Programming Language:** Java, python, C, SQL, TypeScript, JavaScript.
- **Software Development:** Angular, primeng, Bootstrap, CSS, HTML, TypeScript, JavaScript , Spring , Docker
- **Soft Skills:** Entrepreneurship, Leadership, Teamwork

Languages

- **English:** B2
- **French:** Very good command
- **Arabic:** Native speaker
- **Espagnol:** Superficial knowledge
